I was here really like in a Paradise...
That place is a magic one!
The real treasure that you can find is
to feel the people's heart.
So open smiling; so nice and sensitive
persons.
It's difficult in this world to find it.
Please, just listen, see, feel anything
from your own heart.
And your stay will be successful.

Thanks a lot at any person from the
staff.

Be Aware, Be Happy.
Take care of you

This lovely place will stay in my heart forever! The treatments, the people, the nature, the ideas and philosophies of different people make this place a special place. I find it difficult to leave this place, but perhaps it is the best to stop with this trip now it is on its best moment. I will miss you all and hope to come back.

RELAX, ENJOY, SOAK UP THE AMBIENCE OF ANCIENT INDIAN TREATMENTS. ROOPESH WILL TAKE GOOD CARE OF YOU. WHAT A GUY! 😊 C.U. AGAIN

I wasn't sure what to expect when I first got here. It was a ~~random~~ random search on Google that led me to this place. But now that I'm leaving, I truly believe that only the lucky will find it. I think it's a privilege to be at Ayurveda Yoga Villa. My stay here has changed my life in more ways than I could have ever imagined. I underwent the Weight & Stress Management Program, and I have lost quite a bit of weight. But that was just the cherry on top of the icing. We received so much more. Everything about this place is amazing - the location, the environment, the medicines, the treatment, the food... But what makes it so special and sets it apart from every other place are the people. You have a wonderful team here - from the doctors and therapists to the cleaners and kitchen staff. I'm going back a changed person - mentally and physically, and it's only for the better. I will continue the simple and beautiful lifestyle that I've adopted here. Thank you very much! Ayurveda Yoga Villa will always be a special place that I will come back to again... and again.

Love & Peace,

Don't change a thing!!! Ayurveda Yoga Villa is
truly a hidden treasure.... The people, the treatments,
the yoga, scenery, beautiful food, absolutely everything
about this place works together to promote health
and wellbeing. I feel refreshed, and ^{now} educated in the
traditional ayurvedic ways of 'ayurvedic living'. I am
sad to leave such a beautiful place and such
wonderful people... But I will ^{definitely} ~~ensure~~ that I will
come back here again!!! Much love to all!!! xox

My daughter Ceitie decided to take us to Ayurveda yoga villa for 14 days. We were 4 people: me and my sister and our daughters Ceitie & Sigrid. The girls have ~~my~~ been training a lot: yoga and kalari. We old ladies walked a lot and are now in better condition and ~~we~~ have lost a little bit of our weight. We are very content with the yoga teachers, the driver Seiji who took us to Mysore, to Manathavady and also back to Calicut. Very nice person. We have made friends here. Nice persons on the kitchen, cleaning and massage girls. We hope Rupish will have success with his marriage and wish all persons here everything good in the future.
